We hope to be able to provide a tangible progress report at the next meeting. **Bill Campbell** reports lots of activity on our new **Facebook** page. Check it out if you haven't been there yet. Request on line to become a member of the site and **Bill** will activate it so you can post comments, pictures, or items for sale.

It would appear that 13 – 15 members are registered for the show. Logistic planning for those that want to co ordinate travelling up there together will be done in early June.

### **Spinnakers Restaurant:**

About 10 members and most of their wives participated in this brunch. The meal was decent however the menu was quite limited. We should possibly consider other venues next year.

## **New Business:**

For those not going to the Penticton show, other possible venues include Sechelt on August 4,5,6<sup>th</sup> or maybe Campbell River on the September long weekend. Let's gauge the interest at the next meeting.

Events start on April 23/24 weekend. Polling of the members resulted in about 12 people interested in going this year. June 4th weekend was suggested. Think about it and be prepared to commit at the next meeting.

**Frank** is looking to the members for anyone willing to donate their time to help him with front end geometry and installation as he tries to make progress on his Model A.
