The new plates are now out.

### **Annual Picnic review :**

**38** cars took part in the poker-run, the winner's pot was \$185.00 and won by Dave Featherby's son

100 cars took part in the show & shine picnic. The BBQ was a huge success with over 200 burgers and dogs sold. It was a sell-out. Thanks to the cooks and helpers for doing a great job!

**James** reported that a resident called Saanich to report we had left the gate open. We had no choice in that matter as were numerous cars from the general public had come in and parked and went to the beach. James came back about 9:00 PM to confirm all cars had left and locked the gate.

We may have to have someone monitor the gate during the event to solve this next year.

### **Torque Master's Show:**

**Bill** mentioned that the club still requires four more volunteers to help out with parking **Rob Vanzella, Gary Sangara, Larry Jeannotte and Joe Hadley** stepped up for that.

Torque Masters requested shirt sizes of all the volunteers to make sure they would be in the registration package.

All volunteers will be given free registration into the show and a tee shirt.

A list of volunteers and shirt sizes was taken.

**Bob Bentham** suggested that we should have a couple of relief spares for the volunteers. **Les Pickell** volunteered for that.

Volunteers are to meet at the Waddling Dog at 6:00 AM then depart for the show at **6:15 AM** as a group.

The club will provide one shirt for each member at no cost to the member.
