Old Business:

Dinner/Dance

There was a discussion on the Dinner/Dance in regards to the venue and the overall flow of the evening. Everyone agreed that the food and the venue was good and felt it would be worthwhile returning to that location for next year. The general consensus was that the music was too loud and the auction and door prize giveaways went to long due to the number of items. Options that were talked about were limiting the number of door prizes and possibly making it a silent auction or a trivia type of contest. There was also a discussion whether or not we should carry on with music and dancing at future events.

WEB SITE

James Robinson has taken over the Club web site and will be keeping it updated. James mentioned that there are about 8 to 10 new members to be entered into it.

Break:

Due to the small turn out there was no break or 50/50 draw.

Garage Tours:

The garage tours for this year are still being assembled. **Jim Edwards** of the Mustang Club has expressed an interest in working with the club on a tour to be determined.

Russ Etherington is looking into a demonstration of a car wrap as a possible tour.

Off Island Trips:

There are 14 members going to the show in Penticton in June. Other possible trips to be mentioned at the February meeting

Car Show:

Bill advised the members that the Executive was looking into the idea of doing a car show in the Inner Harbour similar to the one that the club had done in 2005, that's if there was no more Deuce Days. Bill advised the members that he had a conversation with Al Clark and that Al has not made a final decision on another Deuce Days. Bill came away from that meeting feeling positive that there would be another Deuce Days. The club is going put this idea on hold for now.

Annual Picnic:

The annual Picnic will again be held at Gyro Park Sunday July 2nd, with the poker run starting at 10:00am to 11:30. The starting point for the poker run will be Tim Hortons at the Saanich plaza, across from Uptown. The show and shine is from 11:30 to 4:00 pm. Because of the growth of this event the club is looking for more volunteers to help run it. Parking, BBQ, poker run check points, end of the day clean up.

May Day Parade:

May 22 is the parade day this year. The parade will be broadcast by Global this year. If you would like to participate let us know. The flatdeck truck will require some decorating, but the participating cars will not.

Club Apparel:

Because an overall consensus cannot be reached as to what a summer type of club jacket should be. Bill has agreed to have one made up that he thinks will work and present it at a future meeting.

Upcoming Event:
