### New Business:

#### Next year's 2019 Road trip:

There were several venues mentioned Vernon, Osoyoos, Yakima, Lake Chelan, Oak Harbour, Anacortes.

**Don Wilson** gave a report on his Vernon trip. Said it was a worthwhile trip, but after some discussion the date conflicted with next year's Duece Days. This one was out.

Members were asked if they wanted to do one day trips or a three day trip, majority wanted a three day trip, and if they would prefer to go south or stay in Canada, most wanted to stay north of the boarder.

**Larry Zilinsky** gave a report on this year's trip to Osoyoos, said it was a good run and great venue. The weather has been good the last 2 years that Larry attended.

**Larry** also talked about the Port Angeles show that is on the weekend before Duece Days and reported it was a great show.

After a lengthy discussion on the remaining venues a vote was taken by a show of hands and the winner was **Osoyoos Cactus Jalopies - May 30, 31 & June 1<sup>st</sup> 2019.**

For this show **Larry** recommended that we drive up on the Thursday so that you could take part in the garage tours and welcoming party on Friday, and show on Saturday and drive back on Sunday.

**Bob Bentham** had talked to show organizers about entry fees and hotel bookings as part of his research for the different venues.

Fees for this show are \$30.00 for the weekend or \$20.00 for just the show on Saturday. The show is held at the Watermark Beach Resort Hotel in Osoyoos.

**Bob** is going to be in contact with the hotel about block booking for the club. Prices for this weekend.

**Larry** said the hotel rooms are more like suites and suggested if couples could double up it would help the with your expenses. More to follow.....
