Club Jackets:

Bill's sample jacket from J&J was not ready for this meeting.

Bill & Loyd talked to Mega Screens and cost would be between \$70.00 and \$80.00 dollars.

Flag shop wanted \$300.00 to do up a sample of the large crest on the back of the jacket.

Bill had a discussion with **Ken Coward** from the **Torque Masters**. They had gotten their jackets done in India and shipped direct. They were a heavy coat with faux leather sleeve's, The cost of the patches only was inexpensive compared to local prices.

Some members were not in favor of the faux leather sleeves, and would prefer real leather.

Don Wilson brought in his Torque Masters coat to show members the style of coat that was supplied by the India manufacture.

Bill will talk to **Ken** to get the India contact, as the cost per coat can't be matched here in Canada.

Teresa asked if the club would do a ladies style jacket possibly with a hoodie.

More to follow at the next meeting.

Modified collector plates for the motorcycle class.

Bob mentioned that if you are towing an uninsured car on a trailer and it is involved in an accident that it is not covered on the trailer insurance. It is covered when being towed by a commercial hauler.
