Old Business:

Lloyd Houston updated the club on the club jackets & all the problems getting the digitizing correct. Mega Screen are going to try another company to do the digitizing. The Executive met a month ago but again there was issues. This will be our last try with Mega Screen. Bill Campbell Had J J Embroideries do a jacket for him which turned out good but there was lots of delays.

August was a busy month with car shows including Deuce Days, Qualicum, Torque Masters, Ladysmith, Beverly Corners, & Langford. 7 members won awards at the Torque Masters car show. Attendance at The Torque Masters show was 200 this year down again because of the weather. They had around 360 in 2017.

New Business:

Thanks to all the members who helped with parking at the Torque Master car show, all went really smoothly.

Teresa Christison has been trying to get 36 cars to do an all-day event at the Motor Gathering track but has not found enough cars.

Bill Campbell received some information from Victoria Vapor Blasting. The result from their process is very smooth and looks new. They do a lot of parts. Hopefully we may have a shop tour there.

Lloyd to look into a garage tour maybe Sept 14th or 15th at Dennis Madson's shop, he is into big HP motors.

Bob Bentham read a letter from Simone Conner of Make A Wish Foundation thanking us for our donation. They granted 114 wishes this year and all the money came from the island.

Bob Parker is in the hospital with an infection.
