

Century Toppers Rod & Custom Car Club

Minutes -Regular meeting September 18th 2019

Meeting called to order at 7:31 by Bill Campbell 23 members in attendance including guests Jeremy Lyseng & Rick Long.

Secretary's report:

The August minutes were distributed via e-mail, omission noted Murray Anderson joined the Club.

Motion: to accept the July minutes as distributed made by Ken Black & seconded by Dave Boudewyn, carried.

Treasurer's report:

Balance from last month was reported as \$10,268.74. Income: partial dues \$25, 50/50 \$91 & \$20 generously donated to club by 50/50 winner Rob Bruce. Expenses: donation to Make a Wish, Flowers for Al & Judy Clark & Caorda Web Solutions totaled \$411.23. Current Bank balance \$9,993.51 plus \$20 cash float.

Motion: to accept treasurer's report made by Brian Pearce & seconded by Gord Strongman, carried.

Bill Campbell answered Bob Parker's question about Deuce Days report from Al Clark, there were around 160 volunteers with Al Clark & his wife Judy doing the majority of the organization. Al is burned out is not going to do another show.

Old Business:

Loyd Houston updated the club on jackets. He spent several hours with Mega Screen going over corrections & is waiting for the re-digitalizing from another provider. Hopefully Mega Screen has not paid for the previous digitalizing from the previous outfit. Thanks Loyd.

d.

Don Wilson thanked the Club for parking cars at the Torque Masters show & presented a thank you plaque to Bill Campbell on behalf of the Torque Masters Car Club.

Previous Car Shows:

John Buck's Canamera show was well attended, also Motor Sports high end show at the Shawnigan Lake School. Apparently most of the judges won at the Shawnigan show. Dave Boudewyn won participants choice.

Upcoming Schedule of Events:

This Saturday there is a Car show at the Country Kitchen in Cassidy. Some members have indicated they will attend.

New Business:

Nominations for upcoming executive are open in September, October & November.

Christmas Party Saturday November 30th at Royal Colwood Gold Course. Graphic FX has printed the tickets for the previous dinners at no cost to the club. We give them free advertising on our website. Gord Strongman to inquire if there is an increase in the food costs. Hopefully the ticket prices can remain at \$55. Tentatively we have the music Bingo guy arranged again. Now is the time to get prizes for the Christmas event. We need volunteers for MC, greeting & 50/50 sales.

On Sunday September 29th the club is planning a cruise & lunch. Possible at the Malahat Mountain Restaurant and a winery tour.

A shop tour at Denis Madsen's could be in October.

Google 455 Gorge Road & see the studio and massive garage with views of the Olympic Mountains. The owner is building a new home & 6 bay garage in the Sayward area.

Teresa Christison to talk to Doug Fox about a garage tour, possible on September 29th.

Teresa Christison has been trying to get 36 cars to do an all-day event at the Motor Gathering track but has not found enough cars. She is now working towards a spring date with mostly hot rods. This is a very safe event following a lead car similar to driving up the Malahat. It has been hard for her to get the minimum numbers at \$350 each including lunch.

Bob Bentham has been in contact with Ken Coward of the Torque Masters regarding a talk by Brent Carson from Gears to Go in Vancouver. Brent is very knowledgeable and is an excellent resource.

50/50 won by Teresa Christison & she generously donated \$8.50 back to the club.

d.

A discussion ensued following Teresa Christison's issues with her engine. The heads were removed & pictures will be sent to engines in Toronto for analysis. Talk revolved around gasket thickness, GM gaskets are slightly thicker than Felpro & have solved issues in Bill Campbell's (Carla's) '37.

Bob Bentham & Loyd Houston went to the Tin Man's car parts sale on the Malahat. Apparently he has a great selection of 64 to 72 GM parts all well labeled. His sale ends the end of September.

There was a discussion regarding collector plates, Bill Campbell talked about his issues. It appears that ICBC are asking for more info before acceptance of modified collector applications.

Bill Tinney has 37 Ford parts for sale as well as an engine.

The Corvette Club were on a run up the Malahat & were stopped by police, some were ticketed for not having front license plates displayed.

Motion to adjourn Loyd Houston seconded by Chris Mackay
